"There is certainly no country in the world where the tie of marriage is more respected than in America or where conjugal happiness is more highly or worthily appreciated..."

Alexis de Tocqueville (1805-1859)

Much has changed since this French Statesman toured America. News headlines tell us a much different story of the decline and destruction of the family. This seminar is intended to help equip families to cope with today's critical spiritual challenges facing our homes.

Please join us for this time of edification and strengthening as we explore the signs and responses to dangers facing the home.

12? QUESTIONS

Dear Brothers and Sisters in Christ,

Hello! My name is Brandon Edwards, and I am the Outreach and Evangelism Minister at the **Lewisville church of Christ** in Lewisville, Texas. We are sending you this letter because we're doing something pretty neat in the DFW area, and we want to tell you about it. It is an outreach event called **"12Questions Dallas."** So, what in the world is **12QuestionsDallas?**

12questions is exactly what it sounds like... Have you ever had a question and never knew who to ask, or whether it was even okay to ask? Have you ever wondered about something, but for some reason you just never got up the courage to ask about it?

Our world lives in darkness and doubt. They don't have the hope found in Christ Jesus. They don't know where to turn when they have doubts and fears. You, as a child of God, have always had the Word of God to turn to. You've had elders, parents, teachers, and friends that have guided you... and yet we all still have questions.

12questions is simple - it's about answering our communities' questions. We want to know what they're thinking, doubting and fearing.

We have business cards available that ask a very simple question, **"If you could ask Jesus one question, what would it be?"** We're handing these out to friends, family, co-workers, complete strangers, and people we come into contact with... simply letting them know about the **12questionsdallas.org** website. They can go to the website and submit their question, or they can tell us their question and we'll submit it for them. It's that easy - but there's more...

We are going to be answering these questions **LIVE over a 4-night period. March 22-25**, we will have 5 different speakers, answering 3 questions per night. The speakers are: **Dr. Bruce McLarty**, President of Harding University; **Dr. Ralph Gilmore**, Bible Professor at Freed-Hardeman University; **Kyle Butt** and **Eric Lyons** from Apologetics Press; and **Dan Winkler**, Professor at FHU. As we won't be able to answer EVERY question submitted, we will try to hit on the top 12 genres of questions, thus the name, **12QUESTIONS**. We will be live streaming this event on **12questionsdallas.org** - so that anybody can watch from any place. Here is the other great part - **people will be able to live tweet and Facebook us their questions during the event!** We will

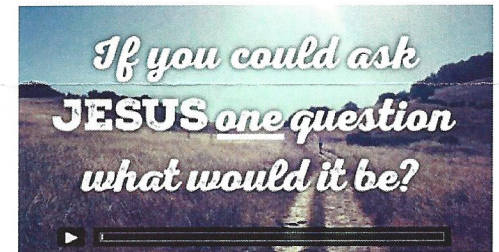

have people staffing our social media so that we can have real-time interaction.

The format is simple - each evening will be 3 sessions lasting approximately 45 minutes each. The 1st session will begin at 5:45pm CST, and the evening should end around 9pm. Snacks will be provided in the Fellowship Center between sessions... and this is an incredibly important time to meet and get to know our visitors.

So what can YOU do?

We would LOVE to have your help in getting the word out!

- Visit **12questionsdallas.org** and watch this video to learn more

- Let me know if we can send you some **12questions** business cards
- Like and share the website & social media pages via Facebook/Twitter
- Tell others who may be interested - this isn't just a local outreach - we're getting questions from all over the United States as well as many other countries!
- Copy this letter and hang on your congregation's bulletin boards
- Mark your calendars - join us in person or tune in to watch!
- Submit a question and invite others to be part of this one-of-a-kind event

We need you to help us "go into all the world" and tell others that Jesus cares about their questions. We may not have all the answers instantly... but we can find out together. **12Questions** is all about showing our community that Jesus wants us to cast every burden onto Him.

You and I can't "feed" 5,000 people... but Jesus can. He can take our doubts and fears and turn them into great lessons on love, support, His power, and His greatness.
