Dear Brethren:

It's that time again! Time for another summer of fun activities for our children that will culminate in our **7th Annual Bible Bowl** at summer's end. *Beginning Sunday evening, May 21<sup>st</sup> (following our evening worship) we will be focusing our attention on the book of Mark, specifically chapters 1 through 8.* We encourage everyone from kindergarten through Great-Grandparents to participate as we increase our knowledge of this great book.

If you have participated in Bible Bowl before, you know it is a lot of fun and very rewarding. Participants not only get to increase their Bible knowledge, but our families are able to spend quality time studying God's Word together. Like last year, we may have one or two other congregations bring groups to add to the fun and competition. If you have any questions, please do not hesitate to contact us or the elders. We look forward to a fun filled summer and hope you are, too.

Sincerely,

*Alan Stevens (469-899-6577)*

Dear brethren,

Greetings from Cleburne! It seems like ages since I have had the opportunity to see many of my brethren, and I am sure that the general busyness that often intrudes on our lives has affected you as well. However, we are excited to tell you about an opportunity to hear the gospel proclaimed. Brother Mike Bonner, preacher for the 9th and Main congregation in San Angelo, Texas, will be with us this month, May 21-24, 2017, to feed us with lessons from the Word of God, and we hope that you can join us at some point during this week.

Mike is a dynamic preacher and a good friend. He brings a love for God and a passion for souls with him everywhere he goes, and we are looking forward to having him with us for the week. The series he has chosen to present focuses on what "Growing in Christ Requires." We know that you will benefit from hearing these much-needed lessons as will we.

We would love to have you with us during this series of lessons, for your presence refreshes the soul not only of Brother Bonner but also of all of us here at Granbury Street. While we are looking forward to gaining from this series of lessons as a congregation, we would also invite your participation so that you might learn as well. Could you please post the enclosed flyer and announce this effort to your congregation? We would appreciate it greatly.

We realize that you have obligations and likely many things already scheduled. Sometimes it makes me long for the simple days when gospel meetings were the highlight of the year in every congregation. But we believe this IS a highlight. And we hope you can be part of it.

Your servant in Christ,

Kevin W. Rhodes
