You Are Invited!

Dear Centerville Road Church of Christ,

Greetings from House to House Heart to Heart and the Jacksonville church of Christ. You are invited to a special event that we have planned in your area.

On **November 8-10 & November 8, 9, & 11**, we will host two free workshops for churches desiring to grow. The seminar will explain two established programs that are helping congregations grow by reaching the lost.

Personal Evangelism

Rob and Nicole Whitacre have been helping congregations grow for more than twenty years. Their method? Simply studying the Bible with people. We consider the Whitacres to be experts in evangelism, which is why we brought them to Jacksonville and House to House Heart to Heart.

Evangelism cannot be outsourced to just the preacher or elders. Soul-winning must be personal to the members for a church to grow. During this seminar, Rob will share the proven ideas that individuals can use, as well as a step-by-step church plan he has used to reach nearly two hundred souls.

House to House Heart to Heart

We are thankful that your congregation is already using *House to House Heart to Heart*. Rob has effectively used *House to House* at each congregation where he has worked, and he will give you some tips that will help your congregation get the most out of your mailings.

The seminar will be hosted at the **Brown Trail Church of Christ**, but it is for all congregations within driving distance. This is a weekend of evangelistic training for the entire area, so we can work together to take the gospel to our neighbors.

The seminar will address questions like these:

1. We are losing congregations (over 100) and members (over 15,000) each year. What can we do?
2. Most of our members would not be able to study the Bible with a friend if they were asked. Where do we start?
3. Our members are great, but they are not making evangelism personal. What can we say to encourage and equip them?
4. How do we reach the lost in our community?

This is a free workshop. Several members, Bible class teachers, preachers, and elders from area churches are planning to join us, so it should be a great day of fellowship. Bring as many of your soul winners (and potential soul winners) as you can.

Let's train the saved to teach the lost!
