- **Tyler Mason** has had infection in his dialysis port and had to have a surgery to hopefully correct that issue. He has been in ICU at Children's Medical Center, Dallas.
- **Jeannie Miller's** surgery has been postponed until she has further tests to determine the cause of her anemia.
- **Doris Doyle** needs our continued prayers.
- **Dora Duncan** will have a re-scan on her lungs in 6 weeks.
- **Diana Parrott** continues to deal with back pain.
- **Norma Chambers**, mother of **Gary Chambers**, is now at home but remains weak after her recent bout with flu/pneumonia and Afib issues.

Gayle Gambrell has had infection in her leg and also had a recent fall. She has been bedfast for the past few days. If you can assist her in anyway during this week, please call her at **972-864-0919**.
