Dear Brethren:

Elders:

Allen Chance

Alvie Dennie

Preacher:

Dan Baum

146 Harbor  
Point Road,  
Gun Barrel  
City,  
Texas

It is with great pleasure we announce to our sister congregations an upcoming Widows and Widowers Workshop at the Beacon church of Christ in Gun Barrel City. This event is designed to address the needs of an underserved portion of the Lord's church, Widows and Widowers. The Workshop will be in the style of a Gospel Meeting. Times and topics can be found on the attached flyer (please copy as many as you need). Dean Miller will be hosting this four-day workshop for us. Dean, a widower himself has devoted his retirement years to hosting these workshops for our brethren across the United States.

WIDOWHOOD WORKSHOPS are about life, love, marriage, loss, grief, survival, coping, and ministering. They are both educational and inspirational. These workshops are something-for-everyone events. They are designed for those who will likely get married at some point in their lives, those who are married, those who have been left behind by the departure of their mates, and those who would like to more effectively minister to the widowed (James 1:27). This free workshop is open to our community and to our brethren regardless of age.

Please accept this letter as an invitation to come and be with us for this opportunity. If possible, please RSVP by February 28. We can be contacted at the numbers on this letterhead. We would appreciate you announcing this opportunity and posting the flyer in your building.

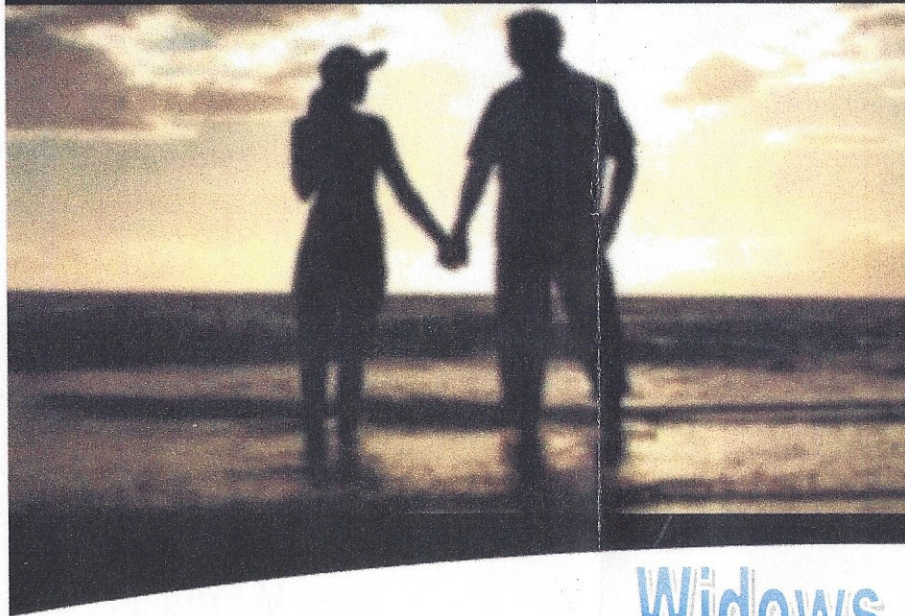

In service for Christ
