May 10, 2020

The shelter in place order has been lifted by state and local officials. We would like to invite those who wish to worship together at the building, to do so starting this Sunday, May 10, at 10:00 AM for worship and Wednesdays, at 7:00 PM for Bible study. There are still restrictions and guidance for participant safety, and we will be following those guidelines. **For those who wish to remain at home, there will continue to be someone at the building on Saturdays for pick-up of communion supplies and drop off of contribution.** We ask that members with health concerns and are 65 years and older carefully consider your options. The live streams will continue, and we urge all those that are concerned about their health or well-being take advantage of them.

**We ask that the guidelines below be followed without exception.**

1. Members should stay at least six feet apart.
2. Every other pew will be left empty.
3. Family members may sit together.
4. Each person over the age of 2 must wear a face mask.
5. To comply with the required 6-foot physical separation between us, we will need to forego physical contact, such as hugs and handshakes.
6. Please exit the building after the services, and not mingle in the lobby.

Please don't hesitate to call us if you have any questions or concerns

Happy  
Mother's  
Day!

**Dear Centerville family,** *We are so thankful for each of you and all that you have done for us – thankful for your prayers, visits, cards, notes and the food. My recent hospitalizations were much easier because of your love and care.* **In Christian Love, Jeannie Miller**

Our love and sympathy is extended to Daniel & Chelsea Prado family following the passing of **Jackie Roberts**, grandfather of Chelsea. Jackie was also the brother-in-law of Bobbi Guinn..

### **Others in need of our prayers:**

**Please join the Elders in praying** that the number of cases of Covid-19 will soon begin to decline and pray for the Elders as they try to make the best decisions for our congregation. While it is our great desire to assemble as soon as possible, we love and care for each member; and we do not want to rush assembling and endanger anyone.

**Ann Babb** is in Christian Care Center for rehab.

**Tyler Mason** has been in Children's Medical Center for treatment of pain with his dialysis port as well as high blood pressure.

**Pam Boozer** continues her recovery (at home).

**Mark Crow** received the results from his recent biopsy. His chances of the cancer coming back are 2%. He will continue to be monitored for Dr visits and body scans at MD Anderson every year. *Mark & Marie appreciate the cards and prayers!*

Please keep all our **missionaries and their families** in your prayers as well as **1<sup>st</sup> Responders, Police, Fire and others, as well as our health and home care providers.** Please also continue to pray for those of our number who might be affected by their **loss of employment due to layoffs and furloughs.**

**Please continue to pray for our shut-ins & others who have been confined to their homes.** We know this is a difficult time for all who are in nursing homes and in rehab because visits are not allowed at this time.
