We invite those who wish to worship together at the building to do so **Sunday, May 31 at 10am.** Ken Hope will present the lesson.

Forrest Bomar will teach the Wednesday night class *“Running With Horses” - Spiritual Apathy.*

This class will also be livestreamed on Wednesday evenings at 7:00pm.

There are still restrictions and guidance for participant safety, and we will be following these guidelines.

1. Members should stay at least six feet apart.
2. Every other pew will be left empty.
3. Family members may sit together.
4. Each person over the age of 2 must wear a face mask.
5. To comply with the required 6-foot physical separation between us, we will need to forego physical contact, such as hugs and handshakes.
6. Please exit the building after the services, and not mingle in the foyer.

We ask that members with health concerns and are 65 years and older continue to carefully consider your options. The live streams will continue and we encourage you to take advantage of them. For those who wish to remain at home, there will still be someone at the building on **Saturday from 10am - 12noon** for pick up of communion supplies and drop off of contribution. Also, an elder will be available for anyone who might have questions or concerns or please don't hesitate to contact them:

Forrest Bomar - 214-577-7159 **Duane Kimble** - 469-273-0757 **Mickey Sandlin** - 214-538-8001.

June 7 - Worship 10am

We will also meet for the evening worship at 5pm to hear our guest speaker, Josh Walker. He will be attending Memphis School of Preaching.

Please keep the following in your prayers:

Tyler Mason has been in Children's Medical Center for the past two weeks. He was taken back to ICU on Thursday with complications. Please keep Tyler and his mother, Lisa, in your prayers during this time of his lengthy stay in the hospital.

Mikal Plachy, grandson of Steve & Jackie Meadows, has been recovering after a recent diagnosis of Bell's Palsy.

Please also continue to pray for our shut-ins and others who are confined in their homes. We know this is a difficult time for all who are in care facilities and rehab because visits have not been allowed due to Covid-19.
