Dear Centerville Road Family.

In light of the expected surge in COVID-19 cases expected in the Metroplex over the next couple of weeks, we would like to take some precautions to keep everyone safe. First, we want to thank everyone for wearing the masks and continuing to social distance. Many of our members have indicated those measures make them feel safer. As we deal with this present situation, we want to emphasize wearing of masks properly, covering the nose and mouth, while you are in the building. Please exit the building as soon as services are over and make sure that you are properly social distancing.

We do not have any plans to stop worship service and bible classes, however, we encourage those who feel safer worshipping at home, to please do so. We will have someone at the building the next several Saturdays for members to pick up communion supplies and drop off the offering. Hopefully in a few weeks we can return to rebuilding our services in a way that we are all together.

Again, thanks so much for your cooperation, please remember and call on our members who may need help, and pray for our members that are teachers, first responders and health care professionals

Thanks, *the Elders*
